Re: Columbia Memorial Hospital
Case No. 03-CA-132367

Dear Mr. Shinnars:

The undersigned represents the Respondent, Columbia Memorial Hospital, in the above-referenced case. On February 20, 2015, the Administrative Law Judge, Steven Davis issued a Decision, from which exceptions are currently due on March 20, 2015. For the reason set forth below, I respectfully request that the deadline be extended to Monday, March 30, 2015. I have communicated with the General Counsel, Region 3, attorney Gregory Lehman, Esq., and the charging party's attorney, Jay Jaffe, Esq., and both do not oppose this request.

Since the issuance of the Decision, I have been involved in several extensive and complex Federal Court matters. Additionally, I am scheduled to be on vacation from March 13, 2015 to March 23, 2015. Thus, based upon the foregoing, I respectfully request this short extension to the exception deadline, which has not been previously extended.

Respectfully yours,

Paul E. Davenport
